

Adam Grace BA Arch(hons) B.Arch ADPPA RIBA

Adam joined 'Jennings Design' in 2005 having worked at 'Bower Mattin Architects'; 'The Bernard Taylor Partnership' and 'Edmund Kirby Architects'. Adam is extremely enthusiastic and a specialist in social housing but has gained experience with listed buildings and conservation projects in addition to high density residential, restaurant design and project delivery. As a qualified architect Adam is experienced in all RIBA stages, project management and contract administration.

Examples of Adam Grace's work with other practices include:

Moss Side new build and refurbishment regeneration for MossCare Housing. PFI projects for 16 newbuild and refurbished primary, nursery and secondary schools in the Liverpool area, for Liverpool Council. Community landscape regeneration. Social estate refurbishment for Bowlee Housing Association
